

FREQUENTLY ASKED QUESTIONS:

TRANSPORT

Parking: We have free parking available onsite for all ticket holders. Cars can be left here overnight but must be picked up by 3pm Sunday afternoon.

Ubers: We get Uber service here so this is a highly recommended means of transport both to and from the venue.

INSIDE THE EVENT

There will be a variety of food trucks available to purchase food from. These will be confirmed and announced via social media, our website and Eventfinda.

Free tap water will be available throughout the event at multiple sites including next to the bar - look for signs.

ENTRANCE

Every adult needs a ticket which can be purchased online at Eventfinda. Kids 12 & under are free. You can print your ticket or have it available on your phone/device - we just need to be able to scan the QR code.

You can bring most items inside including food but there is no BYO of beverages of any kind including water (unless sealed). Gazebos, chairs, blankets, umbrellas...etc. are all welcome.

Larger Gazebos will be allowed in a designated area so get there early if you are planning on securing a spot for your gazebo

CANCELLATIONS

If you want to sell your ticket due to unforeseen circumstances we suggest contacting Eventfinda. Previous years people have tried to resell to people in the community (as tickets tend to sell out) but there is the possibility of scammers on Facebook pages. We are not handling refunds or resales.

The event will continue in all weathers when possible - rain will not put us off! If it may rain you are more than welcome to bring tents, gumboots...etc. as the venue is outdoors on a sloping paddock.

Hopefully we won't have restrictions imposed due to Covid19 but in this case all tickets will be valid for the 2023 concert.
